EXTENSIVE SMOKE HOUSE

WITH GREAT FACILITIES FOR Curing Bacon, for Early Trade. THE UNDERSIGNED HAS PROVIDED him elf with a LARGE BRICK and FIRE PROOF SMOKE HOUSE, upon his own premihimself with a LARGE BRICK and FIRE PROOF SMOKE HOUSE, upon his own premises, in the rear of his Store situated on South side of Broad afreet, where he is prepared to receive large quantities of PORK IN SALT, which can be converted into BACON with great facility, and offered to the trade from ONE TO TWO MONTHS EARLIER than is done by shippers from Tennessee and other points, and, as a consequence, great advantages are experienced by the shippers, growing out of small losses in seeight, as compared with those liabident to shipment during the spring and aummer months; and also the QUICK SALES which are made, thus taking off the joints at an early day, before the development of tant from want of thorough sulting; and also obvisiting the greatest of all difficulties with joints—the attack of Aies.

The undersigned has had several seasons experience in the above process of Curing Bacon, and can confidently affirm that the advantages to he derived by SNOKING IN THIS MARKET are equal to ONE TO THREE CENTS PER POUND in the price of the Meat itself; and is done in a style greatly experior to anything which is sent here from ather points, thereby rendering it more attractive to the buyer and liberative to the shipper.

MORGAN PRINCE.

THIS FINE MORGAN STALLION WAS selected and purchased, in the Fall of 1866, in New Hampshire, by the undersigned, after a careful personal examination of some four or five hundred stock Horses, for his pure Morgan blood, and as possessing in a very remarkable degree all the requisite points of an A No. 1 Stock Horse.

Morgan Prince was ten years old last reason, is a beautiful dark bay, with black legs, mane and tall, and without whiter weighs, when in good desh, 1250 to 1309 pounds. Has been broken to harness, and has unsurpassed beauty of style and action, great muscular power, excellent disposition, and for moothness of gait, bottom and speed, as a trotter, is not excelled by any. He is remarkably sure, and a marked pseudinsity of this Horre's stock is a very striking resemblance to himself, both in color and form, as we saw exemplified in some forty specimens of his get examined by us.

Morgan Prince was sired by Kent's Granite State Morgan; grand sire. Royal Morgan (now living, aged 40 years;) g. g. sire Sherman Morgan, g. g. g. sire Justin Morgan. His dam by Canaan or Kenyan Morgan, by Boston Tiger or Beston Morgan, by Justin Morgan. His dam by Canaan or Kenyan Morgan, by Boston Tiger or Beston Morgan, by Justin Morgan.

Morgan Prince received the first premium in the year 1856, in his class of Sherman Morgan stallions, at Grafton County Fair, held at Haverhill, N. H. Also, first premium, in same class, at Connection River Valley Fair, held at Bradford, Vermont, 1857. It is the Morgan stock of Horses—and this is one of them, sure—that is now prized beyond all others, and have carned a higher character for docility, endurance, style, action and speed as trotters than any other stock of horses in our conntry.

The attention of all lovers of good stock is in-

and speed as trotters than any other stock of horses in our conntry.

The attention of all lovers of good stock is invited to this Horse, now making his second coson in Tennessee. He will serve a limited number of Mares the present season, at the stable of Eli Dixon, five miles East of Athens, at \$16, insurance, due when the Mare is ascertained to be in foal or parted with: \$13 the season, payable at close of season; and \$10 the single service, payable at time of service. Mares from a distance will be fed at a reasonable price. All care taken to prevent escapes and accidents, but no liability for any.

JACK CATLIN

WILL STAND THE PRESENT SEASON at my stable, four miles South of Athens, commencing 15th of March and ending 25th June, and will be let to a limited number of Marcs at \$10 the insurance.

GATLIN was six years old 5th of July last; color black; was sired by Young Catlin (bred by Brutus Clay, of Bourbon county, Ky.,) and he by Imported Catlin. Catlin's dam was also bred in Kentecky, and is an unusually fine and large animal.
